

YOUR LEADING SCIENCE AND TECHNOLOGY
RECRUITMENT CONSULTANCY

The Science of Recruitment[®]

Hyper Recruitment Solutions is a specialist and highly compliant recruitment consultancy dedicated to the science and technology sectors.

Founded and run by Ricky Martin, in partnership with Lord Alan Sugar, HRS has a wealth of recruitment expertise as well as compliance and commercial awareness. We offer a range of permanent, temporary and contract staff on both a contingent and retained basis.

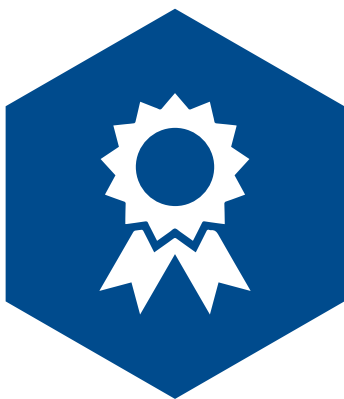

Our vision

“To provide recruitment solutions to assist in the improvement and quality of life for all”

We support sectors whose primary focus is to make the world a better place. From a pharmaceutical company, developing existing and new therapeutics; to a FMCG business that is manufacturing the latest consumer products in a sustainable and efficient way. We provide services to areas of need, which have an impact on us all.

Our values

HONESTY & INTEGRITY

Transparency in

Our expertise

Our expertise is in the sourcing and successful placement of high calibre industry experts.

We provide career options to the world's greatest talent and cover a broad range of skills, including science, engineering, technical and commercial. Our consultants are experts in their subject matter, having come from academia or industry, allowing them to provide the

best solutions for you. Through utilising a combination of cutting-edge and innovative technology, whilst staying true to traditional recruitment values, we are able to fulfil your recruitment needs in a more punctual and professional manner; saving you both time and money.

Development**

Testimonials

Client

“HRS has taken all the leg work out of sifting through hundreds of CVs”

Head of Life Sciences
(Biotechnology)

“They are a supplier that never fails to deliver and will not let you down.”

Head of HR
(Life Sciences)

“A responsive, efficient and approachable business, that worked hard to achieve our supply needs, even at times where last minute additions were added to the scope of work required.”

Head of Site
(Pharmaceutical)

“They somehow have a sixth sense for what I’m looking for. I only seem to provide the sketchiest of outlines for a position and they always come up with exactly what I need in the shortest time possible.”

Head of Site
(Pharmaceutical)
VP of Science and Technology Development

Candidate

“It’s nice to have such a good relationship with a consultant who keeps in touch with you just to know how you’re getting along, during a contract and also when you’re looking for a new contract. I would highly recommend.”

Interim GMP Director

“Ricky and all of his team at HRS always go out of their way to speak with you when you need them. They bring a great sense of personal commitment to the process. I am already using HRS to recruit people into my new team which is the highest recommendation.”

Head of Pharmaceutical Development

“Hyper understands the symbiotic relationship between world-class clients and star candidates. Meets both their needs on a right first time basis.”

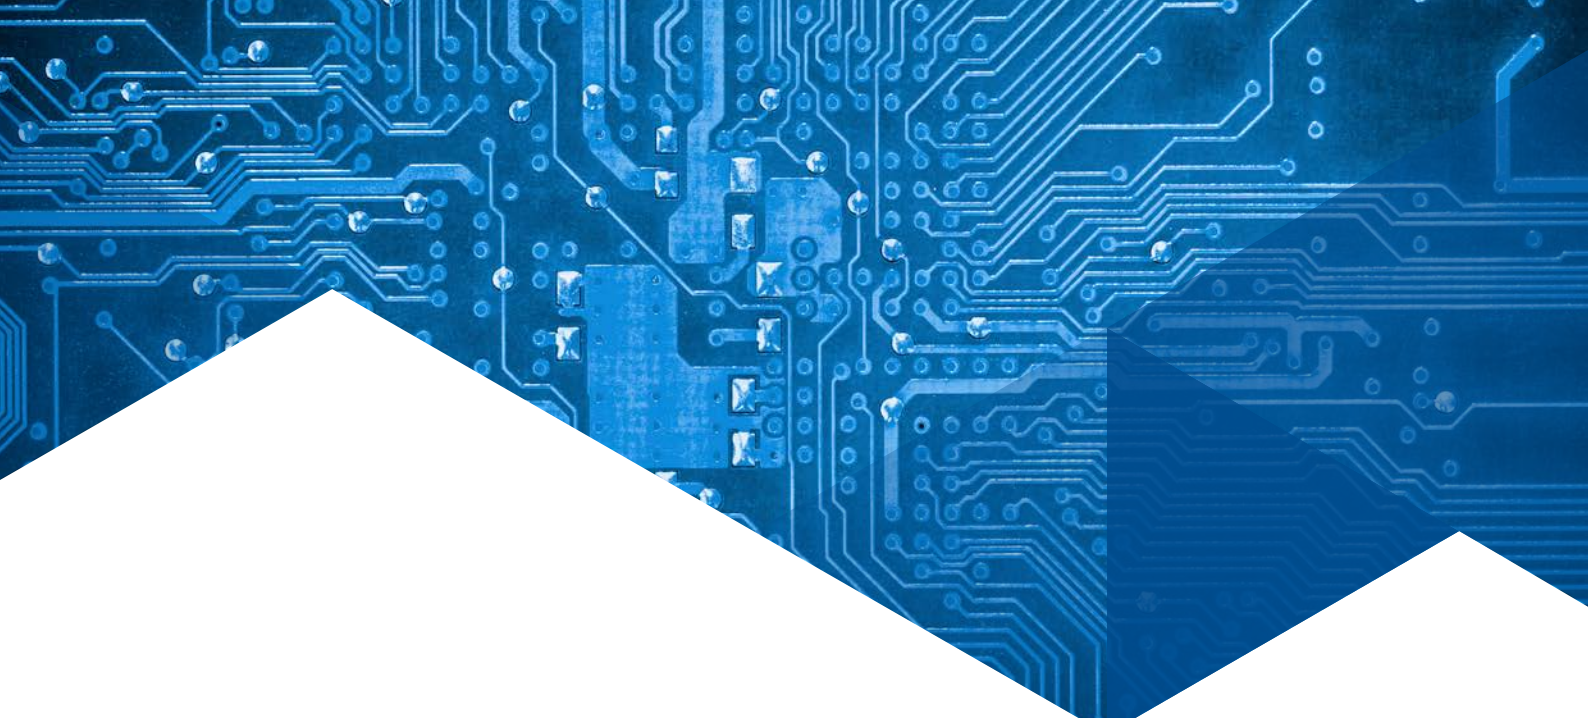

Head of Quality and QP

“They have a knack of finding the right people which is powered by a deep understanding of both the sector and our needs!”

Performance Management Director

As members of the Recruitment and Employment Confederation (REC), we can assure our processes and practices comply with all relevant government and recruitment industry regulations.

Gaining the Investors in People accreditation, we join a growing community of over 14,000 organisations across 75 countries worldwide. Successful accreditation against the Investors People is the sign of a great employer, an outperforming place to work and a clear commitment to sustainably.

Ricky Martin, Lord Sugar and everyone at HRS looks forward to working with you.
